Happy Anniversary to AMECO Solar! This year our solar installation company is celebrating our 40th anniversary. That's right, forty years! We've officially made it over the hill and are taking a look back on the history of our company from our humble beginnings in 1974 to our many solar successes today in 2014, it has been a bright and sunny journey.

Founded in 1974, AMECO Solar & Roofing has been a pioneer in the field of renewable energy solutions for almost 50 years. Our expertise makes us the top solar panel company in California. We are committed to providing our customers with the latest in solar technology, superior quality products and services, unparalleled efficiency, and complete customer satisfaction.

After receiving a bunch of quotes, we've narrowed our final decision down to Ameco Solar and Solar Optimum. I'm searching the sub to find info by which to compare the two companies and, while I can find dozens of mentions and plenty of reviews for Solar Optimum, a search for Ameco only turns up three posts total in the history of this sub. Given that (according to them, anyway) ...

About AMECO Solar Since 1974, AMECO Solar has been dedicated to the concept that solar energy is the solution to our energy future. Solar energy is unlimited, non-polluting and free. We are committed to providing cost-effective and reliable solar systems and strive to offer the best components available.

Ameco Solar is a locally owned and operated company that values honesty and integrity in all aspects of our business. Our dedicated team of professionals have over 12 years of hands on experience, to provide innovative ideas and suggestions tailored to your projects. Our services are customized to your individual needs, paying close attention ...

Solar batteries add hardware, labor, and permit costs to the project. The battery size best suited to your home's needs depends on what time of day you use energy, which direction the panels are facing, and if you are using large appliances such as pool heater or EV Charger. Our solar calculator will forecast the best solution for an average ...

Specialties: Operating since 1974, AMECO is the contractor you can trust for high-quality and cost-effective solar and roofing services for your home or business. We partner with the industry's bests, so your system operates effectively, and you make the most of your solar journey. Our team takes care of all the processes, from designing the solar array and installing the system ...

I've spoken to many solar companies (NRG Clean Power, EnergyPal, Sunrun, Sunpower, Freedom Forever, Powur, Palmetto, and quite a few other smaller Solar brokers/companies) The system specs are: 11x REC410AA Pure-R panels 11x IQ8X-80-M-US (240V) Enphase microinverters 2x 5 kWh batteries IQBATTERY-5P-1P-NA ...

Our commercial solar panel systems not only reduce your energy consumption but also increase the value of your commercial property. And with Ameco, you also get the latest technology, expert installation, and unparalleled customer ...

AMECO Solar & Roofing is rewarded with our Expert Choice badge, serving an exclusive area of fewer than 1 state. With a foundation dating back to 1974 and a commitment to not using subcontractors, AMECO Solar & Roofing offers warranties ranging from 25 years, ensuring long-term reliability.

Solar energy panels installed in 2020 and 2021 qualify for a 26% tax credit. In August 2022, an extension of the ITC (Investment Tax Credit) was passed by Congress, raising it to 30% for any solar panel installation taking place between 2022-2032. It will decrease by 4% annually, landing at 22% for systems installed in 2034.
