

Are all photovoltaic companies on the GEM board

Is gem a liquid market?

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Is gem listed on the stock exchange of Hong Kong?

After successfully pricing and allocating the shares to institutional investors and retail investors, the Company will be listed on the Stock Exchange of Hong Kong for trading. GEM is a market with lower listing eligibility criteria but similar continuing obligations compared to the Main Board, serving the needs of small and mid-sized issuers.

Is gem a good stock to invest in?

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange.

What is the role of corporate governance in a GEM Listing?

Corporate Governance From the time of listing, an issuer is required to establish a strong corporate governance framework to facilitate its compliance with the GEM Listing Rules and adherence to proper business practices.
Role of the Exchange At the time of listing, the Exchange reviews the listing documents of an applicant.

How many independent non-executive directors does Gem have?

In compliance with Rules 5.05(1), 5.05(2) and 5.05A of the GEM Listing Rules, the Company has appointed three (3) independent non-executive Directors representing more than one-third of the Board and with at least one of whom having appropriate professional qualifications, or accounting or related financial management expertise.

Why should International Growth Companies list on GEM?

As well as the listing of local and regional enterprises, international growth companies can also enhance their business presence and raise their product profile in Mainland China and Asia by listing on GEM. GEM is for small and medium sized business.
