Rwanda has published a new standard DRS 91: 2020 Labelling and marking of pharmaceutical products -- Specification. This Draft Rwanda Standard specifies requirements of a label for pharmaceutical products. It also gives special labelling and marking requirements for some preparations such as biological, sterile products and aerosols.

In an actual listening room, you'd find that some speakers play louder than others when fed the same amount of power. In equal power mode, you'll hear these differences in loudness as they naturally occur between speakers.. In equal volume mode, we've made the loudness of each speaker about the same. This gives you a more direct comparison of subtle voicing differences ...
