

# Avangrid renewables Vanuatu

Through its renewables business, Avangrid owns and operates a portfolio of renewable energy generation facilities across the United States. Avangrid employs approximately 8,000 people and has been recognized by JUST Capital in 2021, 2022, 2023 and 2024 as one of the JUST 100 companies - a ranking of America's best corporate citizens.

Avangrid Renewables owns and operates a portfolio of renewable energy generation facilities across the United States. AVANGRID employs approximately 6,600 people. AVANGRID supports the U.N.'s Sustainable Development Goals and was named among the World's Most Ethical Companies in 2019 and 2020 by the Ethisphere Institute.

Renewable energy is electricity made on farms, ranches and ridgelines. Avangrid Renewables makes long-term agreements to site assets such as turbines, substations and access roads on local landowners' properties. We pay landowners for those rights, but we own those assets and so pay any local taxes accordingly.

Our Customers. Our renewables division serves a wide variety of utility, commercial and industrial customers across North America. Whether your focus is balancing a generation and load portfolio, meeting a renewable portfolio standard, or meeting your corporate or institutional sustainability goals, we can provide a customized solution for your specific renewable energy needs. ...
