Biomax is not as young a company in terms of employees as it was 10 years ago, but two thirds of the company has PhDs and so is very science driven: our employees actively participate in the scientific community. Biomax is a tech company, so there is a highly collaborative work environment, and a flat hierarchy.

Biomax's Activated VIT B Liposomal; has been designed and developed with the latest scientific understanding of vitamin Bs and human health. Delivering a full and potent B-complex via specialised liposomal technology, this patented formulation is able to overcome the challenges of conventional vitamin B supplementation.

All BIOMAX products are jointly innovated and developed by BioRenew Labs, LLC, US, and Lomak Opto-Mechatronics Technology Co. Ltd., Hong Kong.
