We have a high set of standards that we hold ourselves accountable to. We care about our customers, and because of that, we pride ourselves on creating long term relationships with the families ...

But the bad weather didn't dampen our spirits as we set out to learn more about the history of Palau. We kayaked to one island that contained some fascinating artifacts from Palau's nearest island neighbor, Yap. Mac told us how the Yapese traveled to Palau to create large limestone disks, which the Yapese used as their form of currency.

Installation prices vary and depend on a few factors, including your state, energy usage, and the size of your home. To lower costs, our customers take advantage of New Jersey's TREC's program, which allows homeowners to sell excess energy back to the grid!
