

By most accounts, 2002 was a politically quiet year for Laos. Unlike previous years, there were no student protests or bomb explosions in the capital, Vientiane, and no reported rebel raids against army and police outposts. President Khamtay Siphandone's government grip on power appeared absolute with no open dissent in the ranks.

Cambridge Power works closely with Pigeon's in-house team of planning and technical consultants to identify and bring forward suitable sites for energy projects. Close collaboration ensures that landowners are supported throughout the planning and development process, from site selection to securing planning permission. ...

How a Chinese Hydropower Project Made a Lao Community Modern and Comfortable

Given the LPRP's grip on political power and the control its leaders exercise over Laos' rich reserves of natural resources -- the main source of the country's rapid economic growth since the early 2000s -- LPRP congresses represent critical moments of leadership renewal and transition.

Cambridge Power has obtained planning permission for two further BESS projects during 2023. The most recent was secured in June for a project in Lemington, Newcastle Upon Tyne, where it will install a 50MW BESS system. In January, the company secured planning consent for a 50MW BESS in Flag Fen, Peterborough.

1 The provisions of the 1941 Treaty extended the area under the control of the small, but ancient, French-protected state of Luang Prabang to include the whole of upper Laos, Xieng Khouang province to the east and Vientiane in central Laos. The important southern provinces, whose leaders were traditional rivals of the northerners, remained under direct ...

Cambridge Power has secured planning permission for a 60MW Battery Energy Storage System (BESS) in Redcote Lane, Leeds. The storage developer was also able to secure an Autumn 2024 connection date from Northern Power Grid, a much swifter connection time than its 13-year delayed 50MW Newcastle Upon Tyne BESS site.

Soon After John F. Kennedy became President, difficult foreign policy decisions had to be made. Even before he assumed the burdens of office, he knew an early judgment would be required concerning United States policies vis-à-vis Laos. Throughout 1960, Communist forces in Laos and their allies won numerous military victories and the Laotian Royal Army was ...

UK-based energy company Cambridge Power has entered a framework agreement with Brookfield Renewable to develop a portfolio of battery energy storage system (BESS) sites, with more than 800MW of combined capacity, in the country.. The move is intended to increase the country's renewable energy capacity and support its transition to net-zero ...

Post-war Laos - February 2006. ... which irremediably damaged the "prestige" of French colonial power. Laos was first declared independent in September 1945 (after the surrender of the Japanese and before the return of the French), an arrangement to be replaced less than a year later, in May 1946, with the status of a unified constitutional ...

It gained power for a few years but subsequently the Vietnamese army dislodged and replaced it with a government under its control. ... political division was deep after independence, and no political force was able to exercise sufficient power to establish a stable government. Laos was drawn into the Vietnam War, as was Cambodia, and suffered ...

91 For an account of anti-government insurgency, particularly in southern Laos, see Nayan Chanda, "The Sound of Distant Gunfire", Far Eastern Economic Review, 8 Dec. 1978. The agreement between Laos and Thailand that each would prevent the use of their territory as bases for guerrilla attacks against the other led to a reduction of insurgent activity during 1979.

Cambridge Power has completed the sale of Glasgow Power Ltd to NextEnergy. The company owns the 29MW Battery Energy Storage site at Rutherglen, just outside Glasgow. Richard Stanton, Chairman of Cambridge Power, said: "This disposal represents an important step for Cambridge Power and is an example of how the company is playing a valuable ...

From November 1957 to July 1958, Laos was governed by a coalition that included two members of the Communist Neo Lao Hak Sat (NLHS), the political arm of the Pathet Lao. The Royal army and right wing political factions opposed the coalition, removed it from power and established a new government, one that was avowedly anti-Communist.
