(Photo by Fabrice COFFRINI / AFP) (Photo by FABRICE COFFRINI/AFP via Getty Images) Experts from the World Health Organization provided an update on Sunday about the Disease X outbreak occurring in the Democratic Republic of the Congo.

How many people have died from a 'mysterious' disease in Congo?

Health officials are continuing to investigate a deadly "mysterious" disease in the Democratic Republic of Congo that has sickened 376 people and killed at least 79.

Why is the Democratic Republic of Congo wracked by conflict?

The Democratic Republic of Congo's (DRC) crisis stems from a series of post-colonial battles from power, which began after the country gained independence from Belgium in 1960.

Why is the Democratic Republic of Congo a crisis?

The Democratic Republic of Congo's (DRC) crisis stems from a series of post-colonial battles from power, which began after the country gained independence from Belgium in 1960. Decades of conflict have been fuelled by ethnic tensions, political rivalries, corruption and fighting for control of valuable natural resources.

What caused the disease X outbreak in the Democratic Republic of the Congo?

Experts from the World Health Organization provided an update on Sunday about the Disease X outbreak occurring in the Democratic Republic of the Congo. Although the report presents a more detailed picture of the outbreak, experts reiterated that the cause remains unknown.

How many people have been displaced in the DRC?

Fighting in the DRC has fuelled a humanitarian disaster, with millions forced to flee their home in search of safety. As of April 2024, 7.3 million people have been internally displaced by conflict, making it one of the largest displacement crises in the world.

The Republic of Congo taxes its residents on their worldwide income and taxes non-residents on their Congolese income. An individual domiciled in the Republic of Congo, whether of Congolese or foreign nationality, is liable for personal income tax (PIT) on one's worldwide income. Tax treaties may exempt specific types of foreign-source income ...

Upon independence in 1960, the former French region of Middle Congo became the Republic of the Congo. A quarter century of experimentation with Marxism was abandoned in 1990 and a democratically elected government took office in 1992. A two-year civil war that ended in 1999 restored former Marxist President
