

Ecactus battery Monaco

What makes ecactus unique?

The eCactus brand embodies the cactus's ability to store abundant energy and its resilient spirit in harsh environments. This inspiration extends to our product series names, each reflecting characteristics of various cactus species. With 16 years of dedicated R&D, we remain at the forefront of energy storage innovation.

What is Weiheng ecactus 'Tianwu' battery system?

Weiheng Ecactus has unveiled its new Tianwu battery system, with 233 kWh of capacity and 100 kW of output, giving users the flexibility to connect up to 10 units in parallel. Chinese battery supplier Weiheng Ecactus has launched "Tianwu," its new 233 kWh all-in-one storage system.

What does ecactus stand for?

The name eCactus, derived from the "Electronic Cactus". The eCactus brand embodies the cactus's ability to store abundant energy and its resilient spirit in harsh environments. This inspiration extends to our product series names, each reflecting characteristics of various cactus species.
