

Exterran Corporation was acquired by Enerflex Ltd. on October 13, 2022. Enerflex is a premier integrated global provider of energy infrastructure and energy transition solutions.

Exterran was formed when Universal Compression (1954) merged with Hanover (1990) in 2007. Universal Compression went public in 2000 and then acquired Weatherford, Global and Gas Compression Services, KCI, LCM and TCS. Hanover acquired APSI and POI to enter the gas processing business, and reorganized into GBU concept before the merger.

In accordance with the merger agreement, Exterran stockholders will receive 1.021 common shares of Enerflex for each share of Exterran common stock held. The trading of Exterran common stock is expected to be suspended today.

These statements relate to management's expectations about future events, results of operations, and the future performance (both financial and operational) and business prospects of Enerflex, Exterran, or the combined entity. All statements other than statements of historical fact are forward-looking statements.
