

Ethos energy group Botswana

Who is ethos Energy Group Limited?

The Group has signed deals for the sale of its stake in Ethos Energy Group Limited ('EthosEnergy'), a joint venture focused on rotating equipment, and CEC Controls Company Inc ('CEC Controls'), an industrial and process control systems business, in the automotive market.

Who owns EthosEnergy?

EthosEnergy is part of Wood's Investment Services business unit. Wood has entered into an agreement to sell its equity in CEC Controls and its affiliated entity in Mexico to SCIO Automation Group, for a cash consideration of \$30 million.

What makes EthosEnergy unique?

A unique combination of partnership and service quality, backed by a track record of tailored solutions, for the power, oil & gas, industrial and aerospace markets. EthosEnergy operates in over 100 countries to consistently improve performance across the value chain. Interested in a career at EthosEnergy?

How much money will EthosEnergy make from wood?

Wood expects net cash proceeds of around \$125 million from these disposals when they complete, which is expected to be later in 2024. In addition, Wood will be issued loan notes by EthosEnergy which, on repayment around five years after completion, will generate further proceeds of up to \$42 million plus interest.
