Who are the top photovoltaic module manufacturers in 2024?

On May 23rd, Beijing time, Bloomberg New Energy Finance (BNEF) published the latest list of global photovoltaic module manufacturers for the second quarter of 2024. Osda, with outstanding product performance and reliable brand credibility, ranked on the Tier 1 (first-tier photovoltaic module manufacturer) list.

Who makes solar panels?

SOLARWATT is a pioneering solar panel manufacturer. With over 30 years of experience, this German company is known for its reliable products. In addition, their solar panels are exceptionally well-crafted to endure harsh environmental factors such as hail, snow, and even sandstorms.

Which company to choose for Tier 1 solar panels?

If you are seeking high cost-effectiveness, fast delivery, and low MOQ for Tier 1 solar panels, we recommend choosing UE, as they have close collaborations with companies like Longi, Jinko and Trina etc. 1. Original Tier 1 Factory audit is supported by third party; 2. Bar-code can be checked from Tier 1 website; 3.

Who makes the best solar panels?

Sharp: Most well-established solar manufacturer with a long history of producing quality solar technology. Panasonic: One of the solar panel manufacturers most concerned with a greener future. SOLARWATT: One of the best manufacturers for solar panels with protection against environmental influences. Amerisolar: Best solar panels for a lower budget.

Why has BNEF withdrawn a list of solar panel manufacturers?

As of the first quarter of 2024, the list of solar panel manufacturers meeting BNEF's Tier 1 criteria has been released. Surprisingly, compared to the previous round, over 40% of PV module manufacturers have temporarily withdrawn. The reason for this is that BNEF has revised the rules, significantly raising the entry threshold.

What is a Tier 1 photovoltaic module evaluation system?

The evaluation system is divided into three levels, with Tier 1 being the most stringent, requiring photovoltaic module suppliers to meet strict standards in product quality, government project bidding, bank financing support, and other dimensions to qualify for inclusion.

February 13, 2024 - Today, SolarReviews released its annual solar panel brand ranking list, and Qcells has been crowned the top solar panel brand for the second year in a row! Details ...
