

Why should you choose Galaxy lithium-ion battery cabinets?

When you choose Galaxy Lithium-ion battery cabinets, you benefit from a longer battery lifetime and higher temperature tolerance than classic battery solutions. When you choose smart battery modules integrated in the UPS cabinet, Galaxy VS offers optimized footprint and ensures critical loads have highly predictable runtimes and battery redundancy.

Who makes Galaxy lithium-ion battery systems?

Schneider Electric USA. Browse our products and documents for Galaxy Lithium-ion Battery Systems - A compact, lightweight, long-lasting and sophisticated energy storage solution for 3-phase uninterruptible power supplies.

Why should you choose Galaxy vs battery cabinets?

Battery flexibility is one of the main highlights of Galaxy VS. When you choose Galaxy Lithium-ion battery cabinets, you benefit from a longer battery lifetime and higher temperature tolerance than classic battery solutions.
