generator for home backup that can charge most household or outdoor appliances. However, if you're looking for an ideal power solution for camping or vanlife, you can go ahead with our portable Jackery Solar Generator 300 Plus or ...

For solar charging, you need a special solar adapter cable that some manufacturers include in the solar generator kit. An average solar charging time is around 5 hours, but large generators like the Renogy Lycan 5000 and the Bluetti EP500 have a dual-charging mode which lets you charge from the grid and solar at the same time.
