

Helia energy Sweden

Who is Helios Nordic energy?

Contact us Helios Nordic Energy develops large-scale solar farms in the Nordics. We have brought together all the expertise required to ensure profitable solar power projects that deliver reliable power. We take care of all stages of a project's development phase.

Is Helios a good solar company?

To date, Helios has sold projects with an estimated capacity of 955 MW and has overall delivered six projects totaling 207 MW to customers, including Nordic Solar AS, Hafslund, Commerz Real, and Solgrid. With this track record, Helios has proven to be one of the leading PV developers in Sweden.

Is Helios still involved in the construction phase?

Helios is still involved in the construction phase, providing construction management services. Nordic Solar is a highly valued customer and partner to Helios and we are very proud to support their ambitious growth targets for their Swedish portfolio.

Helia Healthcare facilities offer exceptional skilled nursing, therapy, and long-term care services. Locations with an onsite ARCH Post-Acute Center take rehabilitation to a whole new level -- exceptional clinical capabilities and outstanding amenities.
