

# JinkoSolar 550 photovoltaic panel

What is a Jinko 550W solar panel?

The Jinko solar 550w panel is one of the prime monocrystalline solar panels manufactured by Jinko and is available for wholesale, retail, and nationwide distribution. Monocrystalline solar panels are the best kind of solar panels with higher efficiency rates that make them outperform other types of solar panels.

Where can I buy Jinko Solar panels?

You can buy Jinko solar panels on the EnergySage Marketplace. Internationally, JinkoSolar Energy offers a number of different animal-named series of solar panels: the Swan Bifacial panels, Tiger high-powered panels, and their workhorse Cheetah panel.

Where are JinkoSolar solar panels manufactured?

JinkoSolar solar panels are manufactured in Jacksonville, Florida, at their solar panel manufacturing facility. They are particularly popular for the "Eagle" series of American-made solar panels. JinkoSolar panels are increasingly popular in quotes to solar shoppers comparing their options on the EnergySage Solar Marketplace.

What types of solar panels does JinkoSolar energy offer?

In the US, JinkoSolar offers a range of solar panels under the Eagle series: JinkoSolar's product line in the US is dominated by the Eagle series of modules. Internationally, they also offer other animal-named series such as the Swan Bifacial panels, Tiger high-powered panels, and the Cheetah panel.

Why should you choose Jinko Solar?

High salt mist and ammonia resistance. Optimized electrical design and lower operating current for reduced hot spot loss and better temperature coefficient. Certified to withstand: wind load (2400 Pascal) and snow load (5400 Pascal). 0.55% annual power degradation and 25 year linear power warranty. ©2020 Jinko Solar Co., Ltd. All rights reserved.

Does Jinko Solar withstand snow?

0.55% annual power degradation and 25 year linear power warranty. High salt mist and ammonia resistance. Certified to withstand: wind load (2400 Pascal) and snow load (5400 Pascal). ©2022 Jinko Solar Co., Ltd. All rights reserved. Specifications included in this datasheet are subject to change without notice.

This solar panel combines several advanced technologies, such as gallium doping, P-type PERC cells, and half-cut design with 9 busbars, resulting in a high-efficiency module with a 21.48% conversion rate. ... Swiss Solar IBEX 54M ...

GHPV solar is a professional solar panel supplier. We offer high - quality products including Trina solar panel, Longi solar panel, Jinko solar panel and JA solar panel. Our solar panels are reliable, efficient and

environmentally friendly, ...

550.000kg. Product Description. Product Description. Product Parameters. Cell Type : P type Mono-crystalline: No.of Half-cells: 144 (6\*24) ... Supplier Homepage Products Solar Panel ...

Panel fotowoltaiczny Jinko Solar 550 JKM550M-72HL4-BDVP Tiger Pro Bifacial ? Skorzystaj z Szerokiej Oferty Produktu; w w Niskich Cenach Rabaty dla Instalatoru; w Pomoemy w ...

JinkoSolar is one of the largest producers of photovoltaic modules in the world according to the current prestigious Bloomberg Tier 1 ranking (2022). The manufacturer offers one of the most innovative technological solutions, ...

Jinko Tiger PRO 72hc 530-550 Watt Photovoltaic Panel with Factory Price, Find Details and Price about Solar Panel Solar Power System from Jinko Tiger PRO 72hc 530-550 Watt Photovoltaic ...

In addition to the high efficiency of 21.29% and high resistance to extreme conditions, the module with 550 W output is well suited for diffuse sunlight. In addition, the new Tiger Neo P-Type series has an excellent resistance to salt ...

We supply the latest Jinko Eagle solar panel models at low wholesale prices. Jinko Solar has been the best-selling brand of modules globally since 2016. To help meet demand in the United States, they've launching one of the world's ...

Features of the Solar Panel 550 Jinko: First, the solar panel has a Positive power tolerance of up to 3% extra output. Furthermore, it has an excellent low-light performance. Additionally, the ...
