What makes Koil energy a great team?

What's most exciting for the Koil Energy team is our valiant commitment to what we love to do. With a passion to build something bigger than ourselves, a desire to perform against the odds, and a drive to accomplish more than we should be able to, given limited resources, we have the best team in the industry.

What are Koil energy's top-line results for 2022?

Charles Njuguna, Koil Energy's CEO, commented, "Koil Energy's top-line results for 2022 are indicative of the challenging offshore environment we experienced last year. Inflation, certain geopolitical events, and recurring recession indicators continued to weigh on the timing of our customers' deepwater project schedules.
