However, the sales guy asks would I be interested in upgrading to AGM batteries. I asked for details and was offered (4) LDC6-400L16 AGM batteries from LEOCH Battery - at a price of \$350 each. A little web searching shows these batteries selling for \$500+. Does anybody have any personal experience with Leoch Battery products? _____

We offer RE consultations, solar installations, and suppliers for on-grid, off-grid, and hybrid systems. Our focus is primarily on residential, agricultural, commercial, and industrial areas. We have expanded our facility
