Why did Lamprell reorganise?

Lamprell's purpose has long been to provide best-in-class project services and solutions for the energy industry, and a recent reorganisation has resulted in an increased focus on the group's strategy and part in renewables and the energy transition while it continues to support its core oil & gas business segment.

Where is Lamprell located?

Lamprell has three main business units: renewables, oil & gas, and digital. Its main operations centres and yards are in the UAE and Saudi Arabia. In the UAE its main facility is located in Hamriyah, and it has a second facility in Jebel Ali and a third in Dubai Investments park.

When did Lamprell go public?

In 2006 the company launched an initial public offering on the Alternative Investment Market and in 2008 it secured a full listing on the London Stock Exchange. Lamprell diversified its offering further, from predominantly servicing the oil & gas market to entering the renewables' arena in the early 2000s.
