

Who is solaroo systems Sdn Bhd?

Solaroo Systems Sdn Bhd is a top solar energy solutions provider in Malaysia. Offering a sustainable energy alternative, Solaroo is a subsidiary of the larger renewable energy conglomerate Pekat Group Berhad. To create a transparent and interactive customer experience, Solaroo developed a mobile app under the same name.

Why did Pekat set up solaroo systems Sdn Bhd?

This allows us the flexibility in managing costs, and to pass on some of the material costs to customers," he added. Pekat had in 2021 set up Solaroo Systems Sdn Bhd to focus on small-scale solar PV systems for the residential solar rooftop projects.

Who is solaroo?

Pekat's residential solar PV system specialist, Solaroo provides the safest solar PV power system in town for home! With over 11 years of expertise in this industry, this makes us the perfect partner for your home's solar panels system. Power Up Your Home with Solar Energy!

Why is solaroo partnering with Pekat?

The collaboration taps into Solaroo's expertise in providing highly efficient and safer small-scale solar PV systems through its innovative system design, combined with in-house technology in collaboration with parent company Pekat. "All of Solaroo's solar PV systems will be protected by the SolarPro insurance provided by Allianz General.

Why should Malaysia partner with solaroo?

"This partnership with Solaroo is forged on our mutual goal of strengthening our commitment towards driving the green agenda amongst Malaysians, with an opportunity to play a role in shaping a future that is safe, inclusive and sustainable and at the same time securing the future development of solar energy in the country.
