

# Photovoltaic energy storage bidding winning project

Which solar-plus-storage projects were bidding in Germany's latest innovation auction?

All the bidding projects from Germany's latest innovative auction were a combination of solar with energy storage. Image: Convergent Energy + Power. Germany's latest innovation auction has awarded contracts to 32 solar-plus-storage projects with a cumulative capacity of 408MW.

What is a solar PV & energy storage innovation tender?

Launched in 2020, the innovation tender seeks to combine several renewable resources, however as shown in the latest auction all bids submitted have been for the combination of solar PV with energy storage.

How many solar-plus-storage projects are in Germany?

Solar park in Germany. Image by: Statkraft (). As many as 16 solar-plus-storage projects with a combined capacity of 155.6 MW won the innovation tender in Germany with a bid deadline of August 1, the Federal Network Agency said on Wednesday.

How many winning bids are there for a 175 MW solar project?

As many as 21 winning bids for a total of 175 MW represent projects for solar installations along motorways and railways. In the previous round of the innovation auction, the Federal Network Agency aimed to allocate 400 MW but received only three bids with a combined capacity of 84 MW.

How much does a solar-plus-storage project cost?

The prices for successful bids ranged between EUR0.0678/kWh (US\$0.073/kWh) and EUR0.0917/kWh and the average volume-weighted price was EUR0.0833/kWh, which the Bundesnetzagentur said was "well below" the maximum tendered price. The auction sought solar-plus-storage projects on arable grasslands, with different criteria offered for different states.

How many MW of solar-plus-storage capacity was awarded in 2023?

The October 2023 iteration of the innovation auction was oversubscribed and awarded 408MW of solar-plus-storage capacity. At the same time, the government announced the results of its latest onshore wind auction, where over 2.3GW of capacity was awarded, which it said "set a new record".
