Are Cola solar a good company?

Cola Solar had good reviews, they were prompt and professional so we decided to choose them. We had a fantastic experience with Cola Solar and I would highly recommend them to family and friends Sarah Rowan from Victoria I was impressed with the Customer service from start to finish, and also after-sales help.

What do you think about Cola solar?

All the work was done on time and very satisfactorily. Absolutely no complaints about the whole process and the staff, both administrative and installers were polite and helpful. The team at Cola Solar were great to work with from start to finish. They provide a friendly, professional advice and amazing solar and battery installation.

Is climasolar a good company?

Climasolar has great communication & overall one of the solar paneling company. Easy to deal with would recommend to all looking to get solar panels installed. The Clima Solar team were helpful and professional from the first interaction through to the installation. My power bill has been significantly reduced which has saved me hundreds!

Do you recommend Cola solar?

If you want a professional, well done installation, I recommend you give the team at Cola Solar a phone call. From beginning to end Cola Solar was helpful and efficient. Installers were polite and informative and I have no hesitation in recommending them. Their office staff were also extremely helpful, happy and courteous. Give them a go

Is colasolar a good company?

ColaSolar replaced the pipes at a good price. In addition, due to bad timing, my water service broke just before I needed to travel overseas for work. ColaSolar's professionalism meant that I was able to address matters during my travels. I have full confidence in this business.

Is shopsolar a good company to buy solar energy?

ShopSolar has sold solar energy solutions to over 35,000 customers since beginning operations in 2018. It has several good options for solar energy, but its best solutions are for those looking for off-grid energy or hybrid energy and battery backup power.
