Solar Monitoring Phone Bracket Installation

How does a cellular plug-in connect to a SolarEdge Monitoring Platform?

The Cellular Plug-In and antenna attach to SolarEdge devices that will communicate with the SolarEdge monitoring platform. The plug-in attaches to the communications board,as shown in the figure below. Figure 1: Communications Board with Cellular Plug-in Figure 2: Connecting the Inverter to the Monitoring Platform

How do I attach a solar panel to my camera?

1. Secure the solar panel's mounting bracket to the top of the camera. 2. Install the solar panel onto the solar panel's mounting bracket by turning it. 3. Connect the USB-C connector to the USB-C port of the solar panel. 4. Drill holes with a 15/64 inch (5.95 mm) drill bit with the included positioning card, then insert the anchors into the holes.

How do I install a cellular plug-in in a SolarEdge inverter?

Always power down the inverter before opening the unit. Perform the following steps: Cut off AC power to the inverter by turning off the circuit breakers on the distribution panel. Turn the DC Safety Unit's switch (if applicable) to OFF. This manual describes how to install and set up a Cellular Plug-in in a SolarEdge inverter.

How do you mount a solar camera on a wall?

The camera can be mounted on a wall or on the ceiling. 1. Drill holes with a 15/64 inch (5.95 mm) drill bit with the provided positioning card, then insert the anchors into the holes. 2. Connect the solar panel to the camera using the provided USB-C extension cable. 3. Firmly secure the camera onto the mounting bracket.

How do solar monitoring apps work?

Most solar monitoring apps and applications connect to your system through a special device called a datalogger,which continuously collects data from your inverter and other components.

How often does the plug-in communicate with the SolarEdge Monitoring Platform?

Verifying the Connection The plug-in communicates with the SolarEdge monitoring platform every 5 minutes,and sends all monitoring data accumulated since the previous communication. 1.
