

# Solar Photovoltaic Power Generation Exhibition

What is PV Expo?

PV Expo is an exhibition where the latest technologies, information and people gather to accelerate the business in the PV industry. Photovoltaic Power Generation Systems System Components System Installation/Integration, O&M Services Installation/Mounting related Devices/Materials Device/Material Manufacturing Equipment Evaluation/Testing/Analysis

What is a solar PV Conference?

The conference programme encompasses a wide scope of PV technologies, with a focus on different high efficient solar cell technologies, such as HJT/HIT, TOPCon and Perovskites, and Distributed and Floating Solar Systems, BIPV, as well as Solar PV O&M and Smart Grid Technologies. LTD.

Where is SNEC PV power Expo 2024?

National Exhibition and Convention Center (Shanghai) (Address: 333 Songze Ave.,Qingpu District,Shanghai,China) An Event Leading You to the Fast Growing Asia PV Markets SNEC 17th (2024) International Photovoltaic Power Generation and Smart Energy Exhibition &Conference [SNEC PV POWER EXPO]will be held in Shanghai,China,on June 13-15,2024.

What is the Global Advanced PV technology conference?

The Global Advanced PV Technology Conference provides an excellent platform for the world's PV experts and scientists to showcase and share the latest developments in solar energy technologies. Nowadays, the demand of PV industry to reduce the LCOE is becoming increasingly strong, and new integration trend of technology appears.

Why is the photovoltaic industry important?

The photovoltaic industry,as a high-tech and high value-added industry,is one of the important ways to promote the transformation of energy structure from traditional fossil energy to clean energy,and also lays a solid foundation for the development of green and low-carbon energy.

What is the Global Solar Council?

This event is supported by: The Global Solar Council is the voice of the world's solar PV industryrepresenting corporate members across the value chain as well as national,regional and international associations to accelerate solar deployment globally.
