

Solis hybrid inverter New Zealand

What is a Solis S6 energy storage (hybrid) inverter?

The S6 energy storage (hybrid) inverter offers maximum efficiencies of up to 97.7% and supports consumption monitoring with a smart meter. As with other Solis inverters, it features 2 MPPTs (Maximum Power Point Trackers), which enables two solar panel arrays to be installed facing different directions.

Who is Solis inverter?

With more than 15 years of solar industry knowledge, we provide ideal solar energy solutions to homeowners and businesses. Solis Inverter is one of the very first companies to enter the Australian market and after so many years in the industry, we continue to assist our consumers in harnessing the power of the sun.

What is a Solis hybrid on-off-grid 8kW pro 48V 2mppt inverter?

Discover the excellence of the Solis Hybrid On-Off Grid 8KW PRO 48V 2MPPT Inverter. Harness the power of advanced solar technology with a reliable 2 MPPT system for optimal energy conversion. Designed for professional applications, this hybrid inverter seamlessly integrates on-grid and off-grid functionalities.

What is a hybrid inverter?

Designed for professional applications, this hybrid inverter seamlessly integrates on-grid and off-grid functionalities. Elevate your energy independence with Solis, providing a cutting-edge solution for residential and commercial solar needs.

Are Solis inverters CEC approved?

These units meet all AS/NZ 4777 requirements and are listed as Clean Energy Council (CEC) approved inverters. Available in single-phase and three-phase models, Solis inverters are accompanied by an 8 year warranty. The company states its products have a design lifetime of more than 20 years. 97.5% - 98.3% maximum efficiency; depending on model.

What are the different types of solar inverters?

Solar Regulators Grid Connect Inverters Sunny Boy 1 Phase Inverters Sunny Tripower 3 Phase Inverters TL Solis Inverters Off-Grid Battery Inverters & Accessories SMA Comms & Monitoring Batteries Cable - Solar & Battery Isolators, Combiners & Fusing MC4 Connectors, Tools & Labels Custom Built Power Supplies Wind Generators Solar Water Pumps

Solis Hybrid Inverters - Unusually large battery charger capable of 3kw on hybrid versions. - Warranties extendable to 10 years. - IP65 rating - means this device is fine to mount outdoors, unlike many competitors. - Offering single phase, 3 phase and hybrid solutions. - One of the oldest and largest inverter manufacturers, made in PRC, active ...
