We Supply and install Off-grid solar systems all over the UAE. Since the inception,we have installed more than 3000 small scale and large scale Solar systems in UAE.

What is fsolar off grid solar system in Abu Dhabi & UAE?

FSolar offers solar off grid system in Abu Dhabi and UAE. Off Grid Solar systems are those which employs battery storage and a backup generator. These kind of solar systems ensure power at all times. Here is reason why you should go for OFF-Grid Solar system in UAE. These are ideal for remote areas where no access for grid.

Is afore a good inverter?

That's why,for example,SMA,Delta,and Fronius offer warranty extensions of up to 20 years. Looking at it this way,Afore is not premium but qualifies as a good mid-range inverter. However,the standard warranty is only five years from the date of delivery and a maximum of 5 and a half years from the production date.

Are afore cheap Chinese inverters?

Afore are cheap Chinese inverters. If you are looking for something as reliable as SMA or Fronius - you got the wrong article. However,if you are considering choosing between Afore and other Chinese brands of cheap inverters,there are several important reasons to choose the brand from Shanghai. What is Afore?

Are afore inverters a sin?

On the other hand,we have no physical reasons to doubt the quality of Afore inverters,and the low price is not a sin. A photovoltaic installation may pose a fire hazard in two ways: it may cause ignition,and if the cause of ignition is something else,it may intensify the fire and make firefighting more difficult.
