Who is Sun King?

Sun King designs, distributes, installs, and finances solar energy solutions for the 1.8 billion global consumers who cannot reliably access or afford traditional electrical grid connections. The needs of energy consumers in Africa and Asia are diverse. Sun King's broad array of products unlocks a higher quality of life for our customers.

Is the Delta sinking?

Philip Minderhoud, a member of the Utrecht University research team, said last week that the delta's coastal areas are sinking by two to three cm a year, and within the next 100 years the entire delta would be only 0.45 meters above the sea, which is very alarming.

How much is Ca Mau sinking a year?

While many places in the provinces of Ca Mau and Soc Trang and Can Tho City are sinking at two to four centimeters a year, other areas are subsiding by 0.1-2 centimeters.

The Vietnam Name Generator simplifies the naming process by offering an extensive selection of names, allowing you to find a name that reflects the values and significance you're looking for.
